## How will I know if my child needs early intervention or preschool special education services?

Our caring and knowledgeable program staff can assist you with the referral and evaluation process.

Together with your municipality representatives or your local school district's Director of Special Education, JRC assists families in determining eligibility, planning and accessing appropriate services.

*"It alleviated a lot of worry knowing our son was in such good hands at preschool and that he was getting such great care mixed with a lot of love." J.H.*

## Bright Beginnings

Early Learning Center works in cooperation with the family to put the often confusing pieces of Early Intervention and Preschool Special Education Services together.
